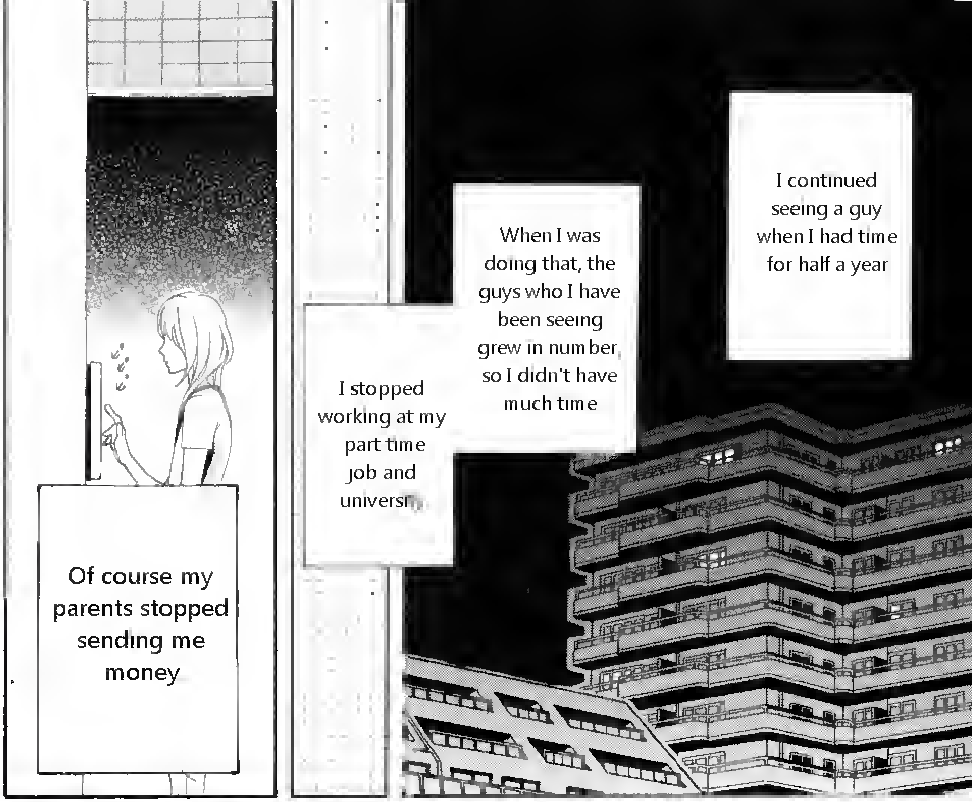
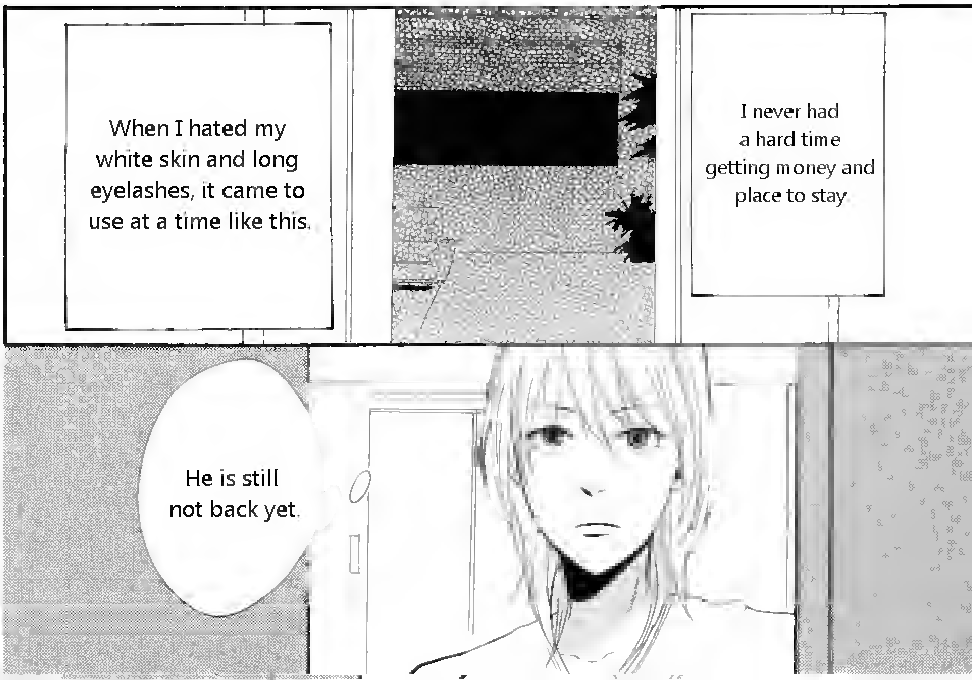
Does Ichinomiya still live in that house?
I always eat dinner in my favorite restaurant
Yeah.
The size seems small, but it's quite large.
There is expensive furnitures lying around, and the ventilation is perfect!
Heh.
I don't lack money or place to sleep.
You are living pleasantly.

Everyday, I don't have anything that I lack.



Of course my parents stopped sending me money
I stopped working at my part time job and universi
When I was doing that, the guys who I have been seeing grew in number, so I didn't have much time
I continued seeing a guy when I had time for half a year



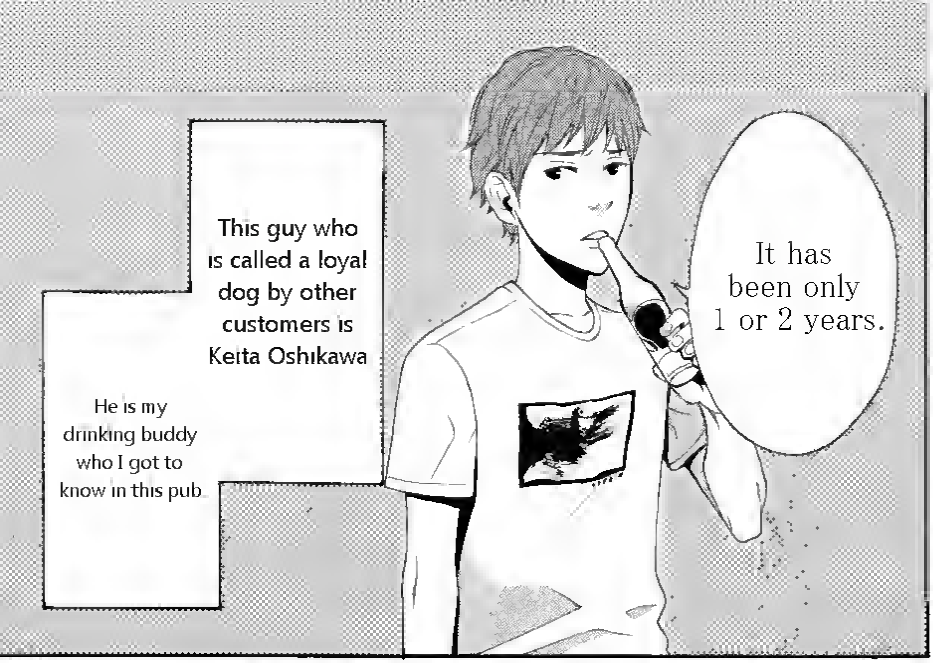
When I hated my white skin and long eyelashes, it came to use at a time like this.
I never had a hard time getting money and place to stay
He is still not back yet.

Try to
wish
strongly.

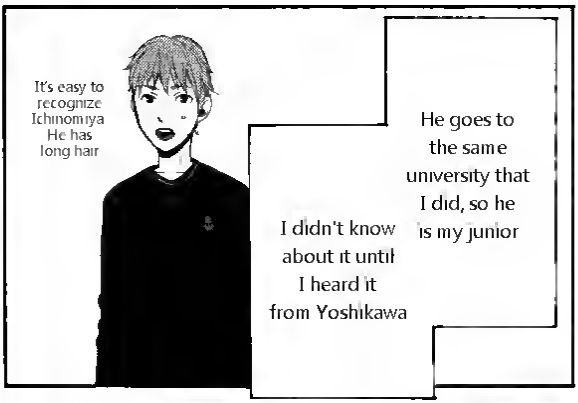
.....
...Ah.
I'm home.
Ugh
Are you alone?
!
What is that? Those glasses.
Isn't it nice?

I'm jealous. You always look like you're having fun.
You look suspicious.
Idiot! I look intelligent no matter how you see it.
It's 50000 yen?
1000 yen?
You must be a swindler.
Haruki, you always look like you're bored.
Do you want to go somewhere with me?
Like mountain climbing
I'm not going.
Ichinomiya!
Oh.

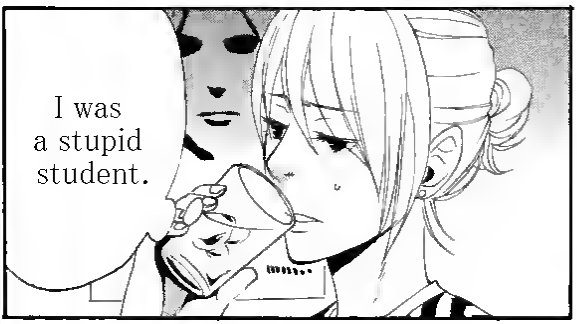
Your loyal dog appeared.
Now, see you later.
That's not it!
Hello.
Didn't you have something to do?
I don't have work today.
No, school...
Right! It's summer holiday.
I didn't go to university, even before I quit.
What are you saying?
You were a student not long ago.



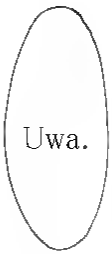
This guy who is called a loyal dog by other customers is Keita Oshikawa
He is my drinking buddy who I got to know in this pub
It has been only 1 or 2 years.



It's easy to recognize Ichinomiya He has long hair
He goes to the same university that I did, so he is my junior
I didn't know about it until I heard it from Yoshikawa



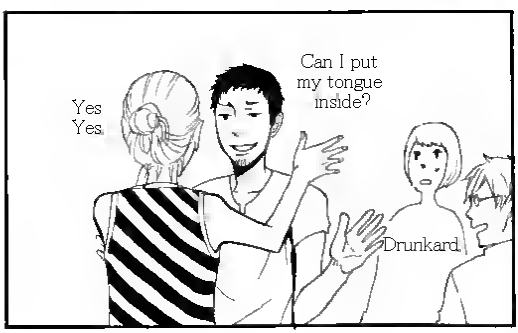
I was a stupid student.



Uwa.

He works enough to feed a guy.
Then me, too.
Your landlord is a working man.
It's already 9 pm. He said that he was coming home early, so I'm going to go home now.

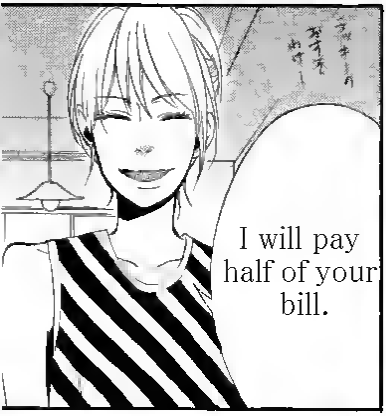
Why– really? Sure!
I'll do it, I'll do it!
I made some money from the slot machine.
Haruki, if you kiss me, I will pay for your drinks.
Haruki, are you leaving already?
Yeah. See you later.



Yes Yes.
Can I put my tongue inside?
Drunkard.

Wait! Ichinomiya!

They're really doing it.
ちゅうう



I will pay half of your bill.

Oshikawa.

Ichinomiya has a lover, and money.
Don't refuse.
It's okay. I will pay for it.

Oshikawa still doesn't know

He is a master.
A guy like this is not a lover.
I don't know when I'm going to be abandoned.
I'm going to look for the next landlord candidates.
As a pet, my work is to obey the master.
I'm not doing it because I want to.
Mm.
Gulp
!
Swallow it.

That night he beat me as soon as he got home.

He must have lot of stress from work

Let's go outside.
I'm sorry. Put it on my bill.
I'm sorry. Put it on my bill.
Che
A noisy guy came.
What happened? That?
Be quiet.
No!
How hard did he beat you that you are bruised like this‥?!
Okay.
He's not my lover.
This is part of my work.
Good Morning
Don't you have a part time job to do today?
My work... I'm taking a break from work.
But your face. Is it your lover?

I like you.
Good Morning Freaks
It's strange... It's not work!
If you can't pay for the rent, you can live at my house.
I
You want to do it with this face, too?
Huh?
How much are you going to give me?
Good Morning Freaks

Ah.
You want me to pay for the rent with my body instead?
I have something to say... I'm quite expensive.
Ugh.
Sfx: Slap
찰싹

You bastard!
My valuable face.
Stop talking about your face!
I don't care about it. I like you just the way you are.

How long are you going to continue?
Ichinomiya!

I'm leaving.

I can see the pain within you.

Your shackles are becoming tighter.
With it's reach, its binding you.
But you can't move from your spot.
You don't have the courage.
What?
Do you want to be hit?

Please live with me... Let's have part time jobs together.
The house is small, and the heater is not good, and it's cold.
It's not pleasant at all.
I'll keep waiting.

Don't cry.
You have to hold it in.

Don't move, and stay like that.
I will guide you to the exit.
Weak one.

You came here?

Ah...

I was worried about you when I went home.
I bought wine. Let's drink it together.
!
It's enough. There is nothing that I lack.
I will give you the double amount of your pocket money.
Let's go home.
Haven't you thought of that?
Aren't you giving up on something new?

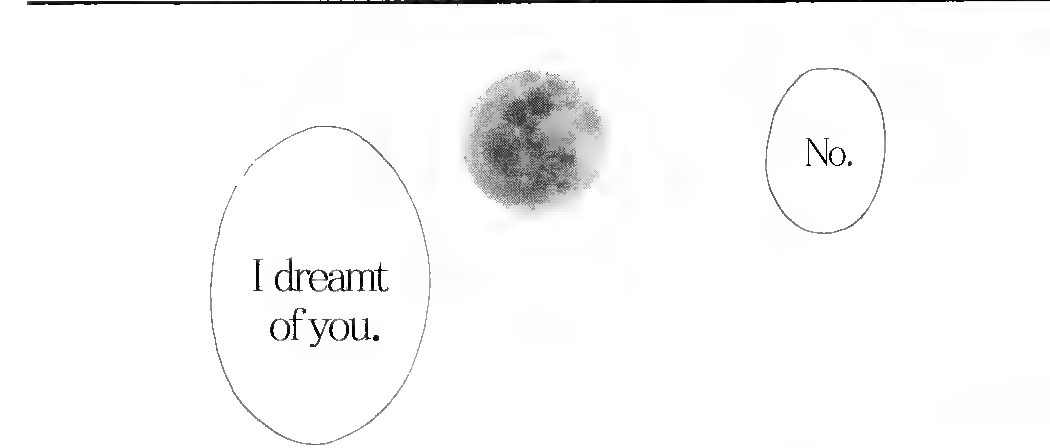
Wish strongly.
What kind of nonsense are you talking about when you are a quack?

Kick
Step
Anything is possible.
If you hope strongly.
Lie!
Anything is possible—
I will tell you three truths.

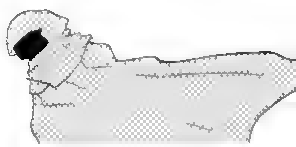
Close your eyes, and imagine what you really want.
There is no night without morning.
You must never be afraid.
If you want something honestly, you will be able to have it when you wake up next time.
This is a prediction.
One.
Two.

Three.
Ah.

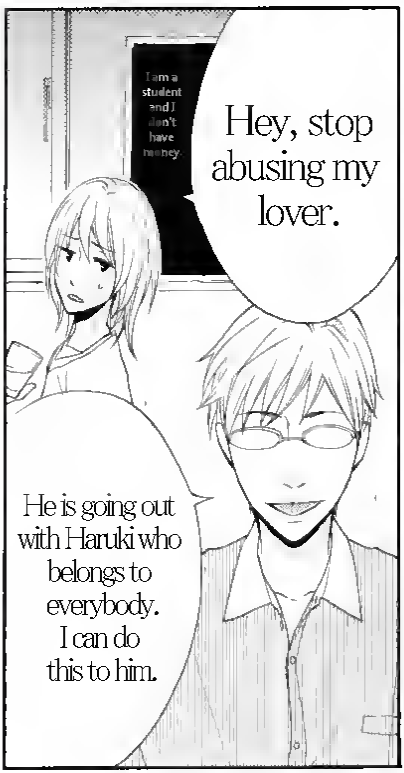
Did I wake you up?



No.
I dreamt of you.

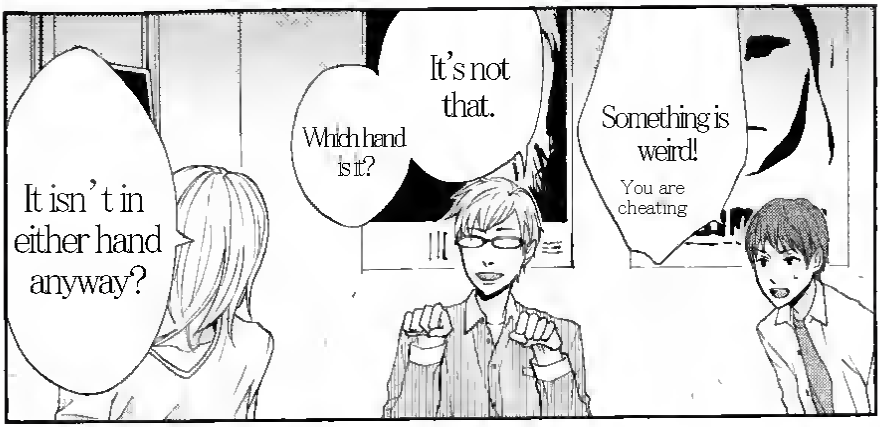


summer → autumn

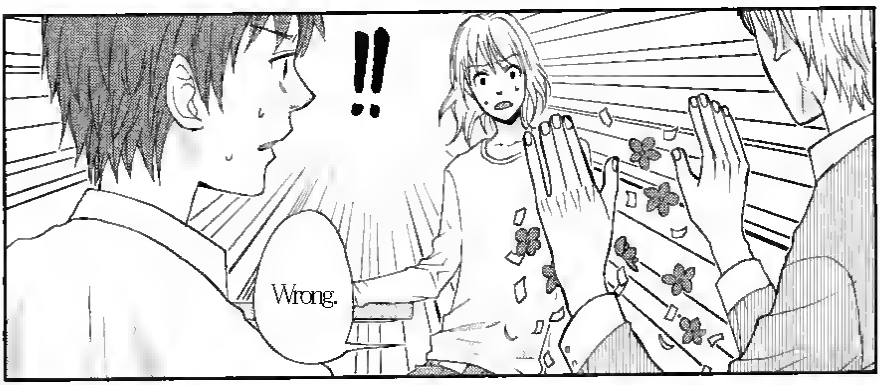


I am a student and I don't have money.
Hey, stop abusing my lover.
He is going out with Haruki who belongs to everybody. I can do this to him.

SkAhAhAhAhAh



It isn't in either hand anyway?
Which hand is it?
It's not that.
Something is weird!
You are cheating



!!
Wrong.

There is going to be a typhoon, so I'm going home.
!?
!?
!?
!?
